PRIMARY EXAMINER

Art Unit: 2154

1. The following is an examiner's statement of reasons for allowance: the prior art of record failed to teach or suggest an actuator coupled to the request queue and the discard queue to determine the input rate of the incoming requests during a processing cycle, and to send a target number of requests to the request queue and a remaining number of requests in the discard queue during the next processing cycle; a controller coupled to the actuator and the request queue to determine the target number based on the difference between actual and desired queue occupancy of the request queue.
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Larry D. Donaghue whose telephone number is 571-272-3962. The examiner can normally be reached on M-F 8:00-5:00.
